Below is a list of items that constitute an application for a U. S. Coast Guard Merchant Mariner Credential (MMC). The MMC application package **must** be submitted to your local Regional Examination Center and may be delivered via mail. In person visits are no longer required. Do not submit your MMC application package directly to the National Maritime Center (NMC) as this will result in significant delays.

#### CRITICAL ITEMS FOR EVALUATION

- ☐ **Transportation Workers Identification Card (TWIC):** (For all transactions) - Provide evidence that you either hold or have held a valid TWIC (photocopy of TWIC) or have applied for a TWIC (TWIC Application Receipt). If you are not required to hold a TWIC according to CG-543 Policy Letter 11-15, then please include a statement that you do not require a TWIC. **IMPORTANT:** Failure to provide the above will result in your MMC application being returned to you.
- ☐ **Evaluation User Fee:** Pay via credit card or bank account using <https://www.pay.gov>. **IMPORTANT:** Print and include your payment receipt as proof of payment.
- ☐ **CG Form 719B Application:** Be sure to read and accurately complete this entire form. ## Policy on Processing of Merchant Mariner Credentials for Mariners Not Requiring a Transportation Worker Identification Credential

The Coast Guard has released Policy Letter 11-15 which describes the process it intends to follow in implementing Section 809 of the Coast Guard Authorization Act of 2010 (Public Law 111-281), which modified the requirement that all mariners obtain a Transportation Worker Identification Credential (TWIC) in order to be issued a Merchant Mariner Credential (MMC). Although full implementation of Section 809 may require regulatory changes, this policy letter implements two policy mechanisms that will allow the Coast Guard to begin to implement the intent of the Act while working on the final regulatory solution:

- Enforcement.
- Credentialing Processes.

The Coast Guard has interpreted the act to exempt Merchant Mariners who are not serving on vessels required to have a Vessel Security Plan (VSP) from the requirement to hold a valid TWIC. However, in order for the Coast Guard to process a credential application, we must have received the applicant's biographical information from the Transportation Security Administration; must have completed the TWIC enrollment process at least one time. Additionally, in order for the Coast Guard to process a credential application for a mariner who is not in possession of a valid TWIC, the mariner must submit a statement indicating an understanding of the possible delays associated with processing the safety and suitability check and certifying that they do not require a TWIC in accordance with the Policy Letter. For specific information please see:

- Policy Letter 11-15 can be found at:
  - [http://www.uscg.mil/nmc/marpers/pag/twic\\_809\\_policy\\_letter.pdf](http://www.uscg.mil/nmc/marpers/pag/twic_809_policy_letter.pdf)
  - Federal Register Link can be viewed by going to <http://www.regulations.gov>, inserting USCG-2011-0465 in the "Keyword" box, and then clicking "Search."
- A Sample Statement of Certification and Understanding can be found at:

Should you require additional information or assistance, please contact the NMC by email at [IASKNMC@uscg.mil](mailto:IASKNMC@uscg.mil) or by phone at 1-888-IASKNMC.

Sincerely,

/A. S. Lloyd/

## MERCHANT MARINER CREDENTIAL (MMC) APPLICATIONS FOR THE RATING OF STEWARD'S DEPARTMENT (F.H.)

Title 46, Code of Federal Regulations (CFR), Part 10.215(d)(2), requires that mariners applying for a Steward's Department Food Handler rating provide a statement from a licensed physician, physician assistant or nurse practitioner attesting that they are free of communicable diseases. In order to minimize the need for additional information, this bulletin clarifies the application process for steward's department ratings as follows:

- Applications received that specifically request '*Steward's Department (F.H.)*' will be required to have a statement attesting that the applicant is free of communicable diseases in accordance with 46 CFR 10.215(d)(2).
- Applications received for Steward's Department (F.H.) that do not have this statement will be considered incomplete and will be held at the cognizant Regional Examination Center for a period not to exceed 60 days to afford the mariner applicant time to acquire the required statement. After 60 days, if no statement is received, the application package, in its entirety, will be returned to the applicant.
- Applications received for any/all entry level ratings that contain the statement required by 46 CFR 10.215(d)(2) will be processed as a request for Steward's Department (F.H.).
- Applications that do not specifically request food handler, and do not have the statement required by 46 CFR 10.215(d)(2), will be processed and an appropriate credential will be issued without the food handler endorsement (e.g. Ordinary Seaman, Wiper, Steward's Department).

If you are applying for entry level ratings and wish to have food handler included on your MMC, be sure to apply for '*Ordinary Seamen, Wiper, Steward's Department (F.H.)*' **AND** be sure to include the statement from your physician attesting that you are free of communicable diseases. This statement can be written on the CG Form 719K, CG Form 719K/E or provided separately. The Coast Guard is considering adding the statement to the next revision of both forms.

Questions regarding this effort should be directed to our Mariner Information Call Center at 1-888-IASKNMC or [IASKNMC@uscg.mil](mailto:IASKNMC@uscg.mil).

Sincerely,

### Description of the requirements for Certificate of Fitness

Title 46 of the Code of Federal Regulations (CFR) requires that an applicant for **Entry Level Ratings** valid for service on a seagoing vessel of 200 or more gross register tons (GRT) (domestic tonnage) "Provide a document issued by a qualified medical practitioner attesting to the applicant's medical fitness to perform the functions for which the document is issued". The following is a list of activities the Applicant shall be physically able to perform:

For a vessel to be operated safely, it is essential that the crewmembers be physically fit and free of debilitating illness and injury. The seafaring life is arduous, often hazardous, and the availability of medical assistance or treatment is generally minimal. As the international trend toward smaller crews continues, the ability of each crewmember to perform his or her routine duties and respond to emergencies becomes even more critical.

All mariners should be capable of living and working in cramped spaces, frequently in adverse weather causing violent evolutions such as fire-fighting or launching lifeboats or life rafts. Members of the deck and engine department must be capable of physical labor, climbing and handling moderate weights (from 30-60 pounds).

Detailed guidance on the medical and physical evaluation guidelines for merchant mariner credentials is contained in Navigation and Vessel Inspection Circular (NVIC) 4-08. Additional information is also available at the National Maritime Center(NMC) Homeport website at: <http://homeport.uscg.mil/mmcmmedical>. Additional information can also be obtained from NMC at: Commanding Officer, National Maritime Center, 100 Forbes Drive, Martinsburg, WV, 25404, 1-888-I-ASK-NMC (1-888-427-5662)
